PESTICIDE SAFETY & HEAT ILLNESS TRAINING in Spanish

Diablo Valley Farm Center
Delta Road at 2nd Street, Knightsen, CA

Classes for Field Workers

Field Workers are employees who work in fields or nurseries where pesticides have been applied but do not handle pesticides themselves. Employers must provide a pesticide safety training every 5 years for their field workers. Each participant will receive a Worker Training Verification Card.

Thursday, June 19, 2014

1:00 pm - 3:00 pm

If your employee(s) cannot attend one of these scheduled classes, any certified commercial applicator (PCA, PCO, QAC, QAL) or private applicator may legally provide the pesticide safety training.

Sponsored by: University of California Cooperative Extension and
Contra Costa County Agriculture Department

To register: Call the Ag Department office in Knightsen: 925-427-8610 or Sharon (mornings) at the UC Cooperative Extension office in Pleasant Hill: (925) 646-6540
Please provide the names or number of attendees so we can prepare sufficient materials for all participants. The class is offered in Spanish only. It is FREE and open to all who wish to attend.
